We sincerely hope you enjoy your experiences at Pangaea. Please feel free to give feedback to any of the coordinators or volunteers so we can continue to make Pangaea a true skier's utopia.

   3. Teams will be selected based on performances of the current ski year and named for the ensuing year (the team year) following the completion of the National Tournament.
   4. A skier's division is the division in which he/she will be eligible to ski at the next Regionals/Nationals.
   5. To maintain his/her position, a skier must be a competitive member of USA Water Ski for the team year.

B. Junior Development Team: made up of all junior skiers who ski in the Regionals and/or Nationals.

C. Exceptions to team selections: Any skier who has qualified for the Regionals/Nationals and is unable to participate due to injury or personal reasons may submit in writing his/her request for exception along with their performance rating card to the Junior Development Committee no later than two weeks after the completion of the Nationals. The committee chairperson will notify the skier in writing of the decision of the committee.

SELECTION RULES FOR THE EASTERN REGION ALL STAR TEAM

1. The team composition is made up of 6 members.
2. The 6 members must be current skiers in the Boys2, Boys3, Girls2, or Girls3 divisions.
3. The skier must be committed to attending and skiing in the National Competition
4. Skiers will be chosen based on their regional seeding *as 60% and their Regional performances as 40%.
5. The committee will choose the strongest three eventers first, then the two eventers and finally single eventers.
6. If the skier skis in a tournament that is out of the Eastern Region, it is his/her RESPONSIBLITY to send in a copy of their performance record to Jennifer Frederick** if the skier wants that score to be added to their seeding for Regionals. This record MUST be given to Jennifer at least ONE WEEK prior to Regionals in order to be counted.

TOURNAMENT SEEDING

* Seeding: How is it calculated? The seeding program takes the best THREE scores and uses a 4% penalty for each missing score less than three.

Tournament Seeding Committee Chair:

Jennifer Frederick-Kelly
109 June Rd
Elma, NY 14059

NOTE: In the event of unforeseen circumstances in selecting any of the teams which, in the unanimous opinion of the Junior Development Committee render these procedures clearly ineffective, the Committee may amend these procedures as necessary to accomplish the goals of the Junior Development Program.

Eastern Region Water Ski Record Application

Regional Record Guidelines – 2003 & beyond

- These guidelines have been adopted to assure integrity of Eastern Region Water Ski Records. The full set of guidelines are posted in the Policies & Procedures Manual and are viewable on the Eastern Region Website www.AWSAEast.org

There are three types of Eastern Region records:

1. Class C & Above which records can be set in Class C, E, L, & R tournaments, the new Class E, L & R Tournament Records, and Regional's Tournament Records. (Full explanation on the website.)
2. E,L,R records are the highest known E, L, & R scores.
3. Regional Tournament Records are all provisional & are compiled from Eastern Regional's scorebooks

Records will not be approved for "turn and burn" performances. I.e., if a skier elects to ski his/her final round immediately upon completion of the current round and if a Regional record is exceeded in that final round, that final round performance is not eligible to become a Regional record.

All Eastern Region record application submissions (except the Eastern Regional Tournament records***) are the responsibility of the skier***.

Applications should be forwarded to the Eastern Region Technical Committee c/o Chip Shand, 3754 Tennis Court, Falls Church, VA, 22041 or emailed to him at slalom@cox.net. There is no specified application form. Please include the skier's name, tournament name, date, and score.
